Sir:

Applicant respectfully petitions for suspension of rules under 37 C.F.R. § 1.183, for consideration of the REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT that is being filed concurrently herewith. The basis for this petition is due to a case decided by the United States District Court for the District of Columbia on September 30, 2008, whereby that date is more than two months and less than six months with respect to the patent issuance date of the above-identified patent. A petition fee is also being submitted concurrently herewith.

If the petition fee submitted herewith (via credit card payment) is deemed insufficient, the PTO is authorized to obtain the necessary amount from Foley & Lardner Deposit Account 19-0741.

Respectfully submitted,
